

**Notice to Senator and Representative of Pending Permit Application**

Senate Bill 709 (84th Texas Legislative Session, 2015) amended the Texas Water Code by adding new Section 5.5553, which requires the Texas Commission on Environmental Quality (TCEQ) to provide written notice to you at least 30 days prior to the TCEQ's issuance of a draft permit for a pending application that is located in your district.

City of Gainesville has applied to the TCEQ for a municipal solid waste (MSW) permit amendment, which would increase the waste acceptance rate and expand the facility building of City of Gainesville Transfer Station.

**Facility Location:** 601 N Interstate 35 Gainesville, Cooke County, TX 76240.

The following link is to an electronic map of the site or facility's general location:

**MSW permit application affected:** Permit Amendment Application No. 1030A

TCEQ is concluding a technical review and will provide a draft permit amendment upon completion of the review. At the time the draft permit amendment is issued, the applicant will be required to publish notice in a newspaper of general circulation, and the TCEQ will provide a copy of the notice of draft permit amendment to persons who have requested to be on a mailing list.

Questions may be directed to Mr. Chance Goodin, Manager, Municipal Solid Waste Permits Section by calling 512-239-6335.

Issuance Date: April 15, 2021
